

The Art of Fine Food and Coffee

It's our job to feed you well with great flavours, and to serve you excellent coffee.

When Bob and Nikki (our parents) first opened the doors to our shop in 2006, they did so to run an establishment that provide excellent coffee and sandwiches made with the highest quality ingredients.

They stuck to this aim and we rapidly became the byword for Marlborough's discerning coffee drinkers.

The best part is that people now visit us for many reasons. They fly through for a croissant and coffee at breakfast, a delicious sandwich at lunchtime or fresh scones with their afternoon tea.

We're licensed to sell alcohol and offer single-serve bottles of red, white, rosé wine and a refreshing Prosecco, a bottled lager and a bottled cider.

We want you to enjoy your visit.

Best wishes - Rich and Kat Holman

Espresso based coffee – our very own blend of roasted beans

Café latte	£2.60
Cappuccino	£2.60
Flat white (stronger than a Café latte, just as smooth)	£2.80
Americano (it's a black coffee)	£2.50
with hot or cold milk on the side	£2.60
Cortado (a single espresso with warmed milk poured through the crema)	£2.60
Ristretto (meaning restricted, it's a very 'short' single espresso)	£2.30
Single espresso / single macchiato	£2.30
Double espresso / double macchiato	£2.70
Lungo (double espresso with more hot water forced through the same grounds)	£2.70
Mocha - (espresso with dark chocolate poured over the top)	£2.80
Wocha - (espresso with white chocolate poured over the top)	£2.80
Chilli Mocha - (espresso with chilli chocolate poured over the top)	£2.80

Like our coffee? Buy a bag and enjoy great tasting coffee at home. It's a subtle blend of Central American and East African beans, roasted to our exact specifications. When we opened The Food Gallery in 2006 we developed our bespoke blend. It took over 6 months of careful tasting, refining and roasting until we were happy with it. Only then did we open for business. We continue to use this blend today. Bags of our beans, or bags of ground beans (for a cafetière/filter) are on the shelves opposite the front door.

It's a bit like ice-cream – only much, much better! It's churned at a much slower speed than ice cream, so it's denser, as less air is whipped into the mixture. We have vanilla and chocolate (milk based), and strawberry and mango (gluten, dairy and fat free).

One scoop, in a tub or a cone	£2.50
An extra scoop?	£1.00
